SERVICES RING POWER OFFERS

PREVENTIVE MAINTENANCE

There's never a convenient time for machine repairs, but on-site preventive maintenance comes close. Our OSHA and MSHA qualified technicians will identify problems before they occur to keep your machines up and running for maximum productivity with minimum downtime.

S•O•SSM FLUID ANALYSIS PROGRAM

- Regularly scheduled analysis of oil and fluid samples
- Particle Count, Total Base Number, Antifreeze, Wear Metals, Viscosity, Water/Fuel Dilution
- Coolant Analysis, IR Testing
- Completed within 24 hours of receiving samples

A/C REPAIRS

Our field service technicians come to your job site to troubleshoot, diagnose, make adjustments and perform repairs on your air-conditioned equipment. Complete system installations are also available.

MACHINE SHOP & FIELD ALIGN BORING

Our certified welders are equipped to handle a wide range of specialized services, including repair or salvage of many expensive machine components.

- Engine machine work
- Welding (mig, stick, tig, aluminum, stainless steel & alloys)
- Align boring & milling
- Grinding & polishing
- Lathe work

- Vertical and horizontal milling
- Magna flux
- Portable welding
- Metal spraying (metalizing)
- Micro finish lapping

UNDERCARRIAGE PARTS & SERVICE

When your machine's undercarriage is ready for replacement, Ring Power's undercarriage shop will get it turned around and back to work quickly, scheduled overnight turnaround in most cases. Our experienced technicians are fully equipped to service the undercarriage of your Cat® and non-Cat machines, and can help you manage your operating costs and improve your overall profitability.

FABRICATION SHOP

If you can visualize it, we can make it.

- 250 ton break press
- Shear length up to 10"
- FastCAM/plasma form cutting
- Plate rolling up to 8' x ½"
- Pipe roller up to 3"

HYDRAULIC CYLINDER REPAIR

- Quality Control. Every cylinder goes through a stringent inspection process to ensure the highest quality repair in the industry.
- 1 Year/2000 Hour Warranty.
- Testing. Three position pressure testing at 3,000 PSI simulates the working environment and ensures a leak free repair.
- Large Cylinders. We can handle the big jobs. Our disassembly bench and hone can handle parts up to 35 ft. in length.
- Free Pick-Up and Delivery.

PAINT SHOP

Ring Power's state-of-the-art paint finishing facilities can help restore and protect the value of your equipment with a reasonably priced, high-quality factory finish. Your equipment will be pressure washed, sandblasted, primed and painted with the utmost care and returned to you quickly, looking almost like the day you bought it.

HYDRAULIC PUMP & MOTOR REPAIR

- 30 years experience
- RexRoth, Sunstrand, Commercial, Denison, Linde, Vickers and more
- 200 hp test bench
- Valves, swivels, hammers, etc.

Bumper-to-Bumper Truck Parts & Services

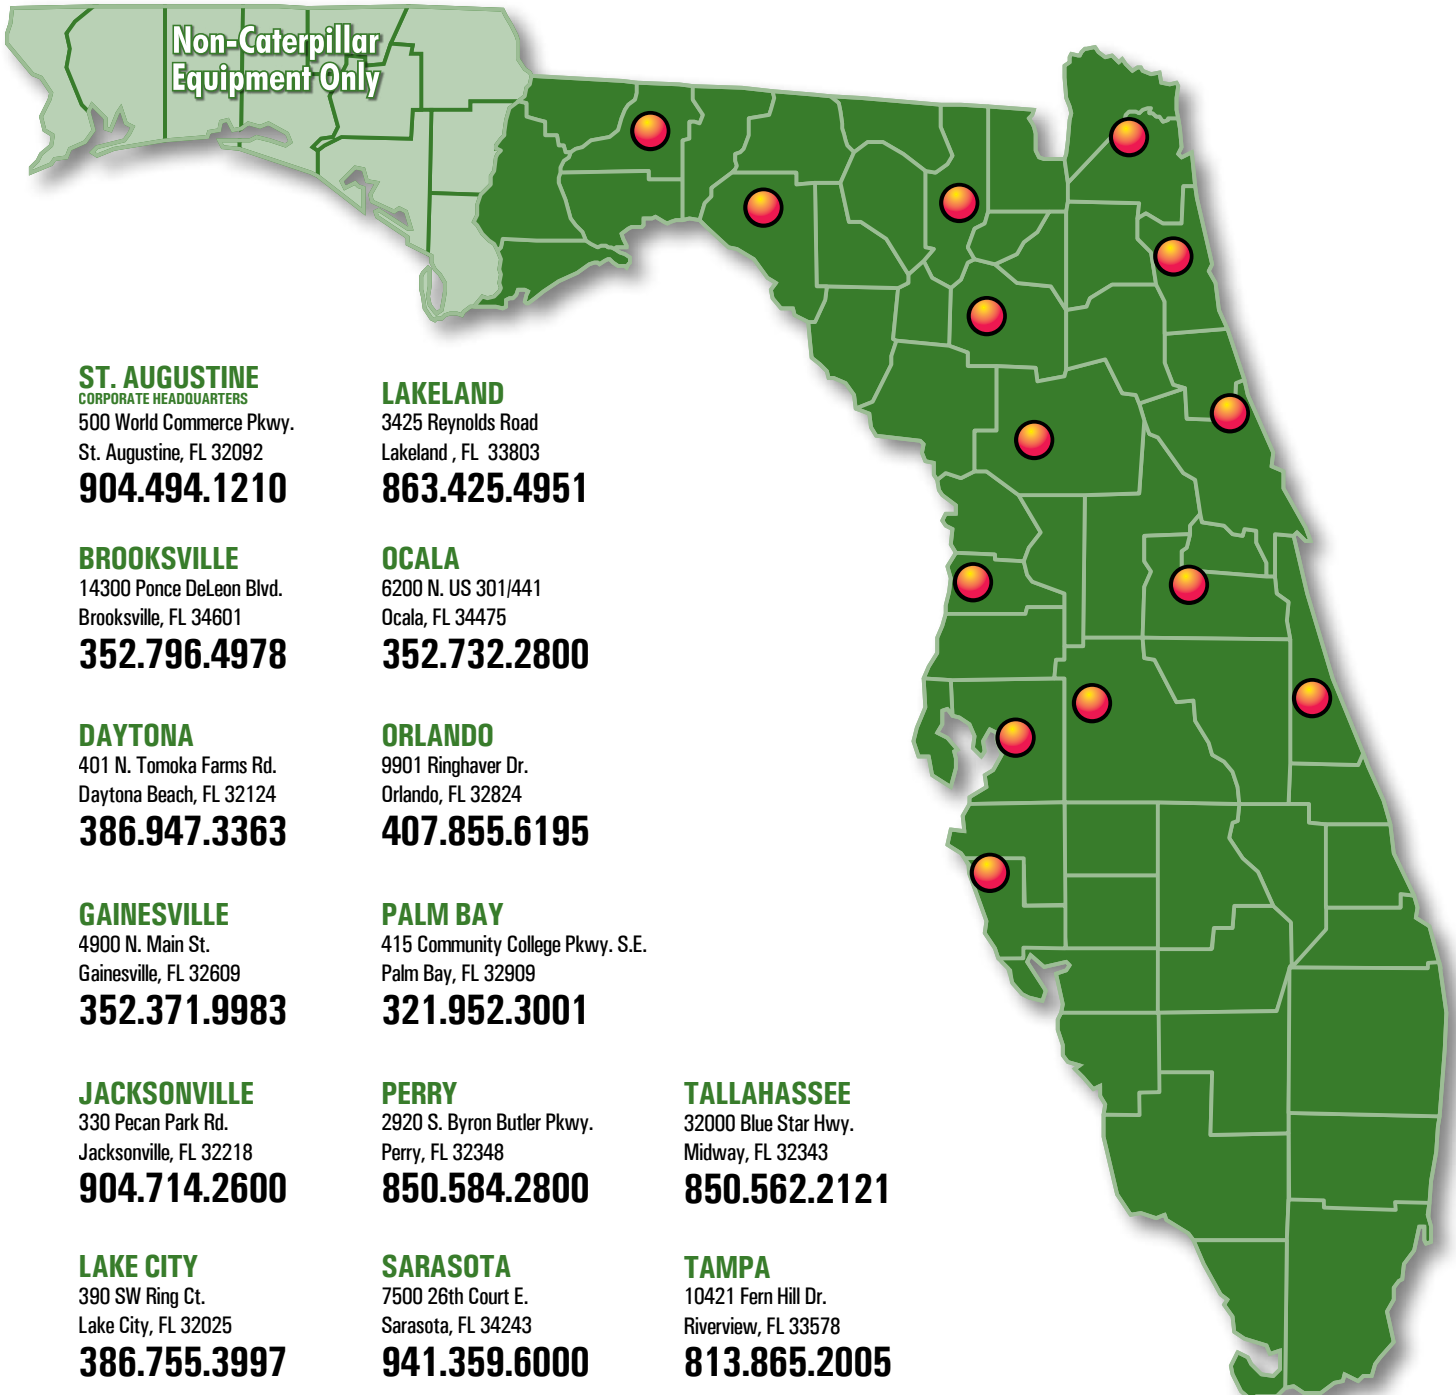

Our full service truck facilities offer a complete menu of routine truck services on all makes and models of trucks and engines including brake jobs, clutch adjustments, component rebuilds, tune-ups and oil changes.

Ring Power®

For over 50 years Ring Power has built a "Customers First" reputation by providing the highest quality equipment and parts, backed by responsive, professional service and support at every level. And with fourteen service locations throughout north and central Florida you can be sure we'll have you up and running in no time.

HERE TO WORK.

ALL THE POWER, PERFORMANCE AND DURABILITY YOU EXPECT FROM CATERPILLAR—IN A NEXT GENERATION DUMP TRUCK, CONCRETE MIXER, WASTE CARRIER OR HEAVY HAULER.

The first in a full line of vocational trucks built for a wide array of applications, the Class 8 CT660 redefines heavy-duty—while delivering all the power, performance and productivity you expect from Caterpillar. Plus, it's backed by the unmatched support of the North American Cat Dealer Network.

Loaded with features and options for the toughest jobs, the CT660 is your next dump truck, concrete mixer, waste carrier or all-around heavy hauler—and it's here to work for you.

With the CT660, you're not just getting a rugged, dependable truck. You're getting the backing of the best Dealer Network in the business. Cat Dealers have set the standard for service and support in the on-highway and heavy construction industries for generations. And now they're bringing that same expertise and commitment to vocational trucks, with bumper-to-bumper service, fast parts availability, competitive financing, unmatched warranty support and more—so you can get to work fast and stay on the job longer.

RPTRUCKS.COM

Plus, because Cat Dealers know how different work applications and environments will affect your truck, they can help you order the exact CT660 you need—with customized options ranging from engines and transmissions to suspensions and axles.

»» **24/7 ONLINE PARTS ORDERING**, combined with unmatched parts availability and timely delivery, means you'll be up and running in no time

»» **UNMATCHED WARRANTY COVERAGE** delivers all the protection you need in one comprehensive package—with extended warranties and a variety of scheduled maintenance programs also available

»» **FINANCING, LEASING AND INSURANCE** solutions available through Cat Financial and Cat Insurance make it simple and affordable to acquire and protect your CT660
